CENTRAL CHURCH OF CHRIST
REACHING UP, REACHING IN, REACHING OUT

Sunday, October 18, 2020

Mark your calendars for Central’s annual Trunk-R-Treat. It will be on Saturday, October 31st starting at 7pm here in the Central parking lot. Anyone wanting to decorate their trunks and hand out candy, please arrive between 6:30-6:45pm to be ready to start at 7pm. There will be prizes for the best decorated trunks! You do not have to decorate to hand out candy- it is optional.

Our goal this year is to have 50 cars handing out candy. If you can commit to coming and handing out candy, please sign up on the bulletin board or respond to the email that’s been sent out.

We will have cars spaced out to allow for social distancing. We ask that those handing out candy wear a mask and gloves (*masks and gloves will be provided*).

We just want to allow the kids to have a fun night to dress up and get to enjoy trick or treating in a safe environment. We will likely have kids from the community in attendance as well – so the more cars we have the better. If you have any questions, please contact Todd or Melanie Gay.

Baby Shower

It's a girl! We will be celebrating Michelle, Corey, and Malia Joy Trask on Sunday, November 8th at 3:30pm in the old auditorium. Michelle and Corey are registered at www.babylist.com/baby-michelle-trask. If you can't attend the shower, there will be a place to drop off gifts in the foyer. Please remember to wear a mask and socially distance to keep mom and baby safe. If you have any questions, please see Amy Scarbrough or Lauren Hinote.

When delivering Paddington Project bags to Lakeside Middle School, the school identified an additional need for individually wrapped snack items to add to their Saturday snack bags being sent home with some students.

There is a marked bin in the foyer for these items:

- Jars of peanut butter and/or jelly
- Beef Jerky
- Peanut Butter Crackers
- Any other individually wrapped items like crackers, granola bars, pop-tarts, etc.

The bins continue to be inside the women's restrooms to collect individually wrapped pads, lady's underwear (size 5, 6, 7, or 8), and pencil sized zipper pouches to place items in. So far, the Paddington Project has distributed at least 621 bags to the local middle and high schools. See Valerie Lively for more information.

All Budgets for 2021 must be turned in to Joey Burns by Sunday, November 1st
